1.2 Bug Fixes

1. Implement fix for error: "Header too long" message
2. Job Reference number did not display on Advertisements or Previews – Fix: Now displays.
3. Candidates who created logins via Facebook etc. – Fix: A user with an external login can now choose the forget password option. A local membership will be created with a random password. The forget password steps now also apply to this user.
4. Clear cookies per web browser if version incremented – Fix: These cookies was removed, also disabled the cookies for all grids.
5. Request: Candidate portal – Change the wording for CV & Resume to read only CV.
6. GDPR: Candidate portal – Updated with Sage Terms & Conditions.
