

Sage 300 People Online Consultation Team

*We proudly present the first ever
dedicated Online Consultants
assisting customers remotely*

Medical Aid Changes

Online Group Consultations

We are hosting Online Medical Aid Group Consultations in January. This will be an interactive **Online** Session where the consultant will guide you through the steps on how to update your Medical Aid Rates and Tables

These **Online** Group consultations are so easy to join in the comfort of your own office. We send you a link to the session, you then join in and participate. All you need is a computer with speakers and a mic, comfortable chair and a cup of coffee!

The sessions are based on a checklist that will be mailed to you to use and keep as reference.

Available dates: 16, 17 and 21 January
Time slots: 09:00am or 12:00pm
Cost: R1190 per session (excluding VAT)
Duration: 2 hours

Please contact us at people.online@sage.com for further information or to book your spot.
