Re: VIPSD PASSWORD – CHANGE ACCESS TO GLOBAL ACCESS CONTROL

I give my permission to Sage VIP to provide the VIPSD password to the following users for Company nr _____ (please indicate the position of the user also):

Super User:

Site Code:

- We take full responsibility for the changes to our VIP Access Control.
- We are aware that all user access will be deleted in the VIP system and will need to be setup again.
- We have read through the detailed "VIP FAQ - Global Access Control" document in the 3.2a System Release notes, and we understand what will happen by activating Global Access Control.
- VIP has advised me that the change to Global Access Control must be done during a consultation with the assistance of a VIP consultant.
- Sage VIP will not be held liable for any issues or losses that arise from the change in access control in your VIP system.
