

Important Information

Windows 7 Discontinuation

The Sage Support team would like to remind you that Microsoft's Mainstream Support for Windows 7 has ended on 13 January 2015. Microsoft is ending support for this product as part of their Support Lifecycle policy, found in <http://support.microsoft.com/lifecycle>.

We will follow the Microsoft Support Lifecycle policy and discontinue all Windows 7 Product support from 15 January 2020.

If your business still makes use of Windows 7, please contact your Microsoft Account Representative to prepare and execute your business upgrade and/or sustained engineering plans as early as possible for these Windows version.

Kindly contact your Microsoft Account Representative if you have any questions. In addition, we have provided the references below for more information.
