POSTPONEMENT OF GO LIVE DATE - LEKGETHO LIVE

Stakeholders are informed that the new Lekgetho Live Tax System that was scheduled to go live on 1st April 2020 has been postponed until further notice. The reason for the postponement is necessitated by the international travel restrictions brought about by the Corona Virus (COVID-19), making it difficult for resource persons to travel to Botswana for the implementation exercise as planned.

BURS will continue to monitor the situation and advise of any further changes.
