

### MAXIMUM INSURABLE EARNINGS REVIEW

Management in consultation with National Pensions Regulatory Authority (NPRO) brings to the attention of all employers' an appraisal of the maximum insurable earnings. It has been reviewed from **GHS 25,000 to GHS 35,000** effective **January 2021**.

Please note that all contribution reports from employers must include the **actual salaries of all employees** in your establishment. The system works on the automatic capping irrespective of the stated amount.

Counting on your usual co-operation.

Thank you.
