

Tax Year End

Software release for the 2020 tax year end submission

Sage Classic and Premier Payroll and Sage 200c VIP users must be on **Release 5.3a** or **Release 5.3b** for tax year ending February 2020.

Sage Classic and Premier Payroll

The VIP release displays on the *Company Listing screen* or *Global Access* login screen.

This screenshot shows the 'Company Listing Screen' for Sage Classic and Premier Payroll. The header includes the Sage logo, 'VIP Premier Payroll & HRM', and registration details: 'Premier 5.3a', 'Site Code Z00001', and 'Your Registration expires: 2020/02/29'.

This screenshot shows the 'Company Listing Screen' for Sage Classic and Premier Payroll. The header includes the Sage logo, 'VIP Premier Payroll & HRM', and registration details: 'Premier 5.3b', 'Site Code Z00001', and 'Your Registration expires: 2020/02/29'.

Sage 200c VIP

The VIP release displays when you access the *Tax Year End Instance* on the landing page. Launch the Tax Year End Instance and take note of the Version number.

This screenshot shows the 'Company Listing' screen for Sage 200c VIP. The header includes the Sage logo, '200c VIP', 'Version 5.3a |', and 'Registration expires 2019/06/30'. The main content area shows 'Company Listing' and 'Please select a company from the list'. A navigation menu includes 'Manage Companies', 'Company Status', 'Options', 'Renewal', and 'Help'.
